SUMMER RECREATION

There was over 400 students and about 40 counselors that made our summer recreation a great success. We would like to thank all those that participated, especially like to thank both Whitehouse and Holland Brook school officials for all their support especially the custodians. We would also like to thank transportation for the use of their school buses and the bus drivers especially Debbie Hill and Ben. It was a hot July but everyone seemed to have a great time. If anyone has any suggestions or ideas for programs or trips please let Patti know. Later there will be some pictures on the website and in the future look for information about next summer's activities.
