

# EVERY MINUTE COUNTS

## Reflective 911 House ID Signs from Readington Township CERT

**First Responders rely on reflective home address numbers.**

The use of highly visible address panels throughout our community provides the fastest possible response time for you and your neighbors.

**The Friends of Readington Township Citizens Corps Program,** in partnership with **Readington Township CERT** (Community Emergency Response Team), is pleased to offer all local homeowners a solution that's effective and affordable.

**Our House ID signs are visible from long distances, especially at night when it's most important! They feature extra-heavy aluminum panels with green 3M Prismatic® reflective sheeting and white 3M Prismatic® numbers.** The 18" x 6" signs are numbered on both sides with up to five 3" high numbers. Mount the signs vertically or horizontally on most mailbox posts. See examples at [www.forcert.org/911signs](http://www.forcert.org/911signs).

**The materials are Made with Pride in the USA!** Our signs have an estimated life span of over 20 years and meet all Readington Township requirements for emergency numbering of buildings (Ordinance 82-4).

**Our premium double-sided House ID signs cost just \$15.00!**

Two screws are included for mounting on many posts. Proceeds from the program go toward the operating budget of the all-volunteer Readington Township CERT.

**Order online, in-person or by mail.** Visit [www.forcert.org/911signs](http://www.forcert.org/911signs), look for us at community events or mail the form to Friends of Readington Township CCP, PO Box 4, Three Bridges, NJ 08887. Make checks payable to: FRTCCP. We are a 501(c)3 organization. Thank you for your support!
